## Instructions:

1. With Multipurpose Liquid Glue, adhere background Designer Series Paper to Basic Black cardstock then adhere to card base.
2. Stamp dog on Basic White with VersaMark. Sprinkle black embossing folder, tap off excess, and cure with Heat Tool until powder is glossy. Punch out dog.
3. Stamp dog ribbon with Real Red ink and punch out. Affix to dog with Mini Glue Dots.
4. Die cut dotted Designer Series Paper with a tag from Stylish Shapes Dies, adhere that to Basic Black cardstock with Multipurpose Liquid Glue then trim edges with Paper Trimmer. Die cut top red tag hole and adhere to tag. Hollow out hole with Paper Snips. Pulling ribbon, folded in half, through front of tag, loop over and pull tight. Trim ends.
5. Stamp greeting in Real Red then die cut using banner die from Stylish Shapes Dies. Align banner close to left side of sentiment, die cut then align banner on right and die cut. That makes a too-wide die fit your sentiment. Adhere greeting and dog to tag with Mini Stampin' Dimensionals then attach it to front of card.
6. Sprinkle Red Rhinestones on front and add one to center of dog ribbon.
