- Calypso Coral: 3-3/4" x 5"
- Early Espresso: 3-1/2" x 4-3/4", 1-1/2" x 4"
- DSP: 3-1/4" x 4-1/4"
- Natural Trim: two 1-1/4" pieces

Instructions:

1. Use glue to adhere the Calypso Coral, Early Espresso, and DSP layers to one another.
2. With die, cut out three different colored coffee mugs from DSP. Glue to left side of card front. Tip: glue top then bottom then center.
3. Prep your Early Espresso cardstock strip by rubbing with Embossing Buddy. Stamp sentiment with VersaMark onto Early Espresso, sprinkle white embossing powder, tamp off excess then heat set with Heat Tool. Die cut with Stylish Shapes Dies.
4. Use pointy end of Take Your Pick Tool and fray ends of the two trims just about halfway down. With Mini Glue Dots (about 6) that you put on the back of the sentiment, add the two trims so they are side by side.
5. With Stampin' Dimensionals, add card front to card base then add sentiment piece.
6. Sprinkle front with three Adhesive-Backed Swirl Dots.
