Order then check a star:

- Order in my store any time. StellarStamps.com/Shop
- For each NET* \$50+ order, check a star to the left and record your order.

Example:

- If your NET* order is between \$50-99.99, check one star.
- If your NET* order is \$100-149.99, check two stars.
- If your NET* order is \$150-199.99 (or more), check three stars, etc.

*What is "net"? If your order has \$100 in products but you used \$20 in Stampin' Rewards to pay for part of it, then you have an \$80 order for the purposes of this form. Also, this is before tax & shipping.

When you have filled in all the lines, mail me this form (keep a copy even if it's a photo!), with your choices (*due to risk of unavailability, last chance items are not available as your free item/s*).

You have 1 year from the first order date to redeem.
