Super easy-peasy way to earn free Stampin' Up! products from me!

- Order in my store any time.
- **You have 1 year from the first order date to redeem.**
- For each \$50+ order, check a star to the left and record your order on this form.
- When you have filled in all the lines, mail me this form (keep a copy even if it's a photo!), with your choice of \$40.00 in anything you'd like (*due to risk of unavailability, last chance items are not available as your free item/s*).

Check one star for each \$50 (before tax & shipping):

- If your order is between \$50-99, check one star.
- If your order is \$100-149, check two stars.
- If your order is \$150-199, check three stars, etc.
